

NORDIC PROSTATE
CANCER STUDY TOUR

GESUNDHEIT
MEDICAL TRAVEL

ADVANCING CLINICAL PRACTICE

SAN RAFFAELE, MILAN
OCTOBER 6-7, 2025

Take part in a focused, high-level academic tour for Nordic prostate cancer specialists, hosted at one of Italy's leading clinical and research centers – San Raffaele Hospital in Milan. In collaboration with Professors Francesco Montorsi, Alberto Briganti, and Dr. Giorgio Gandaglia, this immersive 2-day program will explore the latest in diagnostics, treatment strategies, and ongoing research in prostate cancer.

TOPICS:

Diagnosis, treatment, staging, recurrence and advanced disease in prostate cancer including new imaging, biomarkers, surgery, radiotherapy, ARPIs, and ongoing research

PARTICIPANTS:

Senior oncologists and urologists from the Nordics

DESTINATION:

San Raffaele Hospital,
Milan

DATE:

6-7 October 2025

AN INCLUSIVE EXPERIENCE:

- > Full academic program
- > Airfare
- > 4-star accommodation
- > Networking dinner

Lectures and Multidisciplinary Clinical Case Discussions

Welcome and introduction:

Local Faculty (Prof. Montorsi, Prof. Briganti, Prof. Salonia)

Session 1 **Diagnosis of Prostate Cancer**

- MRI: multiparametric, biparametric and the role of AI – Prof. De Cobelli
- PSMA PET/MRI in PCa diagnosis – Prof. Chiti
- Novel Serum Biomarkers – Dr. Stabile
- Tissue-based biomarkers – Prof. Colecchia

Session 2 **Treatment of Localized Prostate Cancer**

- Active Surveillance – Dr. Gandaglia
- Radical Prostatectomy – Prof. Briganti
- Radiotherapy – Dr. Cozzarini
- Multidisciplinary Discussion: Interactive Clinical Case Discussion including host faculty

Session 3 **Lymph Node Staging in Prostate Cancer**

- PET PSMA – Prof. Chiti
 - Conventional imaging: update on NODE-RADS – Dr. Brembilla
 - Multivariable Models – Prof. Briganti
 - Novel surgical approaches and intraoperative guidance for lymph node dissection – Dr. Gandaglia
 - Multidisciplinary Discussion: Interactive Clinical Case Discussion including host faculty
-

PRELIMINARY PROGRAM

DAY 2
TUESDAY, OCTOBER 7
08:00 - 12:30

Advanced topics and research update

Session 4 Ongoing Studies at San Raffaele Hospital

- Ongoing Studies in Oncological Urology – Prof. Briganti & Team
- Ongoing Studies in Urological Oncology - Prof. Necchi & Team
- Ongoing Studies in Nuclear Medicine – Prof. Chiti & Team

Session 5 Biochemical Recurrence after Primary Treatment

- The role of imaging at the time of BCR: who, when and how – Prof. Chiti
- Adjuvant and Salvage Radiotherapy Approaches – Dr. Cozzarini
- When should we consider concomitant ADT? – Dr. Gandaglia
- Role of ARPIs at the time of BCR – Dr. Maiorano
- Treating the visible disease – salvage surgery and SBRT – Prof. Briganti
- Multidisciplinary Discussion: Interactive Clinical Case Discussion including host faculty

Session 6 Treatment of Metastatic Prostate Cancer

- Radiotherapy Approaches – Dr. Cozzarini
- Role of ARPIs in Metastatic Disease: An oncologist-perspective – Dr. Maiorano
- Role of ARPIs in Metastatic Disease: An urologist-perspective – Dr. Cucchiara
- Triplet therapy in mHSPC – Prof. Necchi
- Multidisciplinary Discussion: Interactive Clinical Case Discussion including host faculty

Closing Remarks & End of Program

OUR FACULTY

The clinical immersion program has been planned by Gesundheit Medical Travel in collaboration with our faculty of Nordic experts.

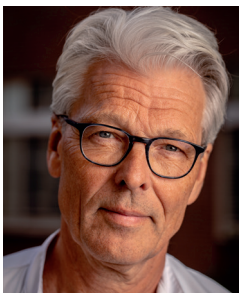

Anders Bjartell
MD, PhD, FEBU,
Professor in Urology

Dept of Translational Medicine,
Medical Faculty, Lund University
Senior Consultant, Dept of
Urology, Skåne University
Hospital

Jan Oldenburg
MD, PhD

Professor at the Medical
Faculty of the University of
Oslo and Senior Consultant at
the Department of Oncology,
Akershus University Hospital
(Ahus)

Michael Borre
Chief physician,
professor, MD, PhD.

Senior consultant and
Professor at Department of
Urology, Aarhus University
Hospital

Gedske Daugaard
MD, Dr. med., Professor in
Clinical Oncology

Department of Oncology, Center
for Cancer and Organ Diseases,
Rigshospitalet, Faculty of
Health and Medical Sciences,
University of Copenhagen

Antti Rannikko
MD, PhD, FEBU

Chief of Department at HUS
Helsinki University Hospital,
Department of Urology and
Professor of Urology at
the University of Helsinki,
Finland

ABOUT GESUNDHEIT MEDICAL TRAVEL

GESUNDHEIT MEDICAL TRAVEL organises educational trips that go beyond conventional conferences. Our journeys provide a unique blend of medical insights, collaborative networking opportunities, and a supportive community atmosphere.
