

NORDIC PROSTATE CANCER STUDY TOUR

GESUNDHEIT
MEDICAL TRAVEL

ADVANCING CLINICAL PRACTICE

SAN RAFFAELE, MILAN
JANUARY 15-16, 2026

Take part in a focused, high-level academic tour for Nordic prostate cancer specialists, hosted at one of Italy's leading clinical and research centers – San Raffaele Hospital in Milan. In collaboration with Professors Francesco Montorsi, Alberto Briganti, and Dr. Giorgio Gandaglia, this immersive 2-day program will explore the latest in diagnostics, treatment strategies, and ongoing research in prostate cancer.

TOPICS:

Diagnosis, treatment, staging, recurrence and advanced disease in prostate cancer including new imaging, biomarkers, surgery, radiotherapy, ARPIs, and ongoing research

PARTICIPANTS:

Senior oncologists and urologists from the Nordics

DESTINATION:

San Raffaele Hospital,
Milan

DATE:

JANUARY 15-16, 2026

AN INCLUSIVE EXPERIENCE:

- > Full academic program
- > Airfare
- > 4-star accommodation
- > Networking dinner

THURSDAY, JANUARY 15
12:00 – 18:30

Lectures and Multidisciplinary Clinical Case Discussions

Local Faculty: Prof. Montorsi, Prof. Briganti, Prof. Salonia

12:00 **Welcome & Registration**
Lunch & Networking Session

13:30 **Opening Remarks** – Prof. Montorsi, Prof. Briganti

Session 1 **Multidisciplinary Management of Prostate Cancer at OSR**

13:40 – 14:30 Moderators: Prof. Briganti, Prof. Montorsi

- The Multidisciplinary Model at OSR – Prof. Briganti
- The History and Mission of URI – Prof. Salonia
- How OSR Models Have Changed International Guidelines – Dr. Gandaglia
- Discussion

Session 2 **Ongoing Prostate Cancer Research at OSR**

14:30 – 15:45 Moderators: Prof. Briganti, Prof. Necchi

- Recent findings in Prostate Cancer Research – Dr. Barletta
- Biobank, Data Collection & Patient-Reported Outcomes – Dr. Stabile
- Translational Research at URI: From Bench to Bedside – Dr. Cucchiara
- Ongoing Trials in Urology – Dr. Gandaglia
- Ongoing Trials in Medical Oncology – Prof. Necchi

15:45 – 16:00 **Break**

PRELIMINARY PROGRAM

DAY 1
THURSDAY, JANUARY 15
12:00 – 18:30

Lectures and Multidisciplinary Clinical Case Discussions

Session 3**Improving Prostate Cancer Diagnostic and Therapeutic Pathways in Non-Metastatic Disease****16:00 – 17:00**Moderators: *Prof. Briganti, Dr. Gandaglia*

- Optimizing biopsy strategy in Prostate Cancer – *Dr. Stabile*
- The role of PSMA PET in treatment planning – *Prof. Chiti*
- Novel options in the management of localized Prostate Cancer – *Dr. Scuderi*
- Discussion

Session 4**Improving Prostate Cancer Diagnostic Pathways in Metastatic Disease****17:00 – 18:00**Moderators: *Prof. Briganti, Dr. Gandaglia*

- Individualized management of hormone-sensitive metastatic Prostate Cancer – *Prof. Necchi*
- The role of theragnostic in metastatic Prostate Cancer – *Prof. Chiti*
- Management of castration-resistant Prostate Cancer – *Prof. Necchi*
- Discussion

Session 5**Clinical Case Discussion****18:00 – 18:30**Moderators: *Prof. Briganti, Prof. Necchi*

- Clinical case discussion presented by local faculty with interactive discussion – *Dr. Barletta*
-

PRELIMINARY PROGRAM

DAY 2
FRIDAY, JANUARY 16
08:00 – 12:15

Advanced topics and research update

08:00 **Arrival & Coffee**

Session 6 **How is AI revolutionizing the Management of Patients with PCa**

08:30 – 9:30

Moderators: *Prof. Briganti, Prof. De Cobelli*

- AI Models for Outcome Prediction – *Dr. Calado*
- The Role of AI-based Imaging in Prostate Cancer – *Dr. Brembilla*
- AI-assisted improvement of surgical procedures – *Dr. Calado*

Session 7 **Future Perspectives in Prostate Cancer**

09:30 – 10:15

Moderators: *Prof. Briganti, Prof. Montorsi*

- Novel Tracers in Prostate Cancer Imaging – *Prof. Chiti*
- Imaging-guided Surgery – *Dr. Gandaglia*
- Targeted Therapies: The Role of PARP Inhibitors and Beyond – *Prof. Necchi*

10:15 – 10:45 **Break**

Session 8 **Optimizing Prostate Cancer Patient Pathway: Imaging, Pathology, and Outcomes**

10:45 – 12:15

Moderators: *Prof. Briganti, Dr. Gandaglia*

- The Importance of Centralized MRI Review & Pathology Review – *Dr. Brembilla*
- The Impact of Biopsy Review – *Prof. Colecchia*
- Referral Pathways & Patient Selection: The OSR Model – *Dr. Stabile*
- Outcome Collection, Analysis, and Periodic Report – *Dr. Calado*
- Discussion & Closing Remarks

12:15 **Closing Remarks and End of Symposium**

Moderators: *Prof. Briganti, Prof. Montorsi*

OUR FACULTY

The clinical immersion program has been planned by Gesundheit Medical Travel in collaboration with our faculty of Nordic experts.

Anders Bjartell
MD, PhD, FEBU,
Professor in Urology

Dept of Translational Medicine,
Medical Faculty, Lund University
Senior Consultant, Dept of
Urology, Skåne University
Hospital

Jan Oldenburg
MD, PhD

Professor at the Medical
Faculty of the University of
Oslo and Senior Consultant at
the Department of Oncology,
Akershus University Hospital
(Ahus)

Michael Borre
Chief physician,
professor, MD, PhD.

Senior consultant and
Professor at Department of
Urology, Aarhus University
Hospital

Gedske Daugaard
MD, Dr. med., Professor in
Clinical Oncology

Department of Oncology, Center
for Cancer and Organ Diseases,
Rigshospitalet, Faculty of
Health and Medical Sciences,
University of Copenhagen

Antti Rannikko
MD, PhD, FEBU

Chief of Department at HUS
Helsinki University Hospital,
Department of Urology and
Professor of Urology at
the University of Helsinki,
Finland

ABOUT GESUNDHEIT MEDICAL TRAVEL

GESUNDHEIT MEDICAL TRAVEL organises educational trips that go beyond conventional conferences. Our journeys provide a unique blend of medical insights, collaborative networking opportunities, and a supportive community atmosphere.
